RE: Cancellation of Bid Project 26-C-0015

Bidders,

During the pre-quote meeting, it became evident that the Agency was missing a lot of important information in the solicitation. After reviewing the meeting notes with our team, the Agency has decided to cancel the solicitation. The project will be revised and will include all equipment on the roof, along with how to handle the unknown conditions.

Homes for Good Housing Agency hopes to be able to issue the revised project in early 2026. You will receive direct solicitation with the information, and we hope you are willing to review and bid on the project.

Sincerely,

Kat LaFerle
