

Transferring with a Section 8 Voucher

1

Provide Homes for Good a copy of your move out notice.

2

Homes for Good sends you an income review packet and voucher.

3

Return your income review packet and signed voucher.

4

Homes for Good completes income review, sends transfer packet, max allowable rent, and Request for Tenancy (RTA).

5

You complete the RTA with the landlord and return to Homes for Good.

6

Homes for Good reviews the RTA and if approved, schedules an inspection with Landlord.

7

Once inspection passes, Homes for Good requests a copy of the signed rental agreement from the landlord.

8

Subsidy begins the effective date of lease or pass date of inspection, whichever is later.

9

Homes for Good sends contracts to the landlord with documents needed.

10

After documents are received by Homes for Good, payment is made to the landlord back to the effective date of subsidy.

Are you wanting to move with your Section 8 Voucher but are unsure of the steps? Check out the process here!
